This is a temporary password that you are requested to change at your earliest convenience. You must change your password before you can receive review reports from our review committee.

How long will take to review your article?

This depends on the journal. You should directly contact the editor of the journal if you haven't received any communication from the editor after six months of submission. If you do not receive a satisfactory reply from the journal editor, please contact submissions@inderscience.com

There are no charges for publishing with Inderscience, unless you require your article to be Open Access (OA). If you receive an email requesting payment in relation to your article (for example for editing or reviewing services), then you should ignore and delete the email – it is not a legitimate Inderscience email. If you are unsure, you can check with us at: submissions@inderscience.com

If you are considering publishing an Open Access article with us, remember that we will never request payment before your paper has been accepted.

Thank you for your interest in our journal.

Best regards,

pp. IJIL Editor
